

2021 Swimming Pool/Facilities COVID-19 Participation Agreement, Waiver and Release

Acknowledging that swimming and related physical activities are potentially hazardous, and that sanitation measures cannot guarantee elimination of all risks of contracting the COVID-19 virus, I hereby agree to the following as a condition of use of the Country Hills Neighborhood Association swimming pools, facilities and grounds ("Swimming Pool Facilities") by me, my family members and all persons authorized to use the Swimming Pool Facilities under my membership ("Authorized Users"):

- I am at least 18 years of age;
- I and the Authorized Users are voluntarily using the Swimming Pool Facilities;
- I will immediately report to the Board of The Country Hills Neighborhood Association (board@neighborhoodofcountryhills.com) a positive COVID-19 test for myself, any person within my residence, or any Authorized User, and will cooperate with and hold Country Hills Neighborhood Association harmless for contact tracing efforts to identify potential cases of exposure;
- In the event of a positive COVID-19 test for myself, any person within my residence, or any Authorized User, I or the Authorized User may be denied access to the Swimming Pool Facilities until such time as a proper quarantine period has lapsed without symptoms;
- I assume all risks associated with my use of the Swimming Pool Facilities, which risks may include close contact with other Swimming Pool Facilities users, and individuals working for Country Hills Neighborhood Association, exposure to the COVID-19, and sickness, death, and disability related thereto;
- I, for myself and the Authorized Users, and my heirs, representatives and assigns, and anyone entitled to act on my behalf, hereby waive, release, and hold harmless Country Hills Neighborhood Association, its Council members, directors, officers, agents, employees, staff, vendors and volunteers ("Releasees") from all claims relating to COVID-19 arising out of the use of the Swimming Pool Facilities by me or the Authorized Users.

Consistent with government and health department guidance, Country Hills Neighborhood Association is implementing numerous measures to decrease the risk of exposure to COVID-19 at the pool. Individuals who are particularly at risk due to their age or health are encouraged to carefully consider their individual situation and err on the side of caution in deciding whether and how to use the pool this summer.
